## EDUCATION

Chhatrapati Shivaji Maharaj University | Panvel, Navi Mumbai Bachelor of Technology in Computer Science (Specialization in AI/ML) 2022 – 2026 (Expected)

- **Current Semester:** 7th
- **Core Competencies:** Data Structures & Algorithms, Object-Oriented Programming (OOP), Machine Learning, Database Management Systems (DBMS).

## TECHNICAL SKILLS

- **Languages:** C# (.NET), C++, Python, C, JavaScript.
- **Backend & Frameworks:** .NET Framework, ASP.NET Concepts.
- **Web Development:** HTML5, CSS3, JavaScript (ES6+), Responsive Design.
- **Databases:** MySQL.
- **Tools & DevOps:** Docker, Git/GitHub, Visual Studio, VS Code.

## PROJECTS

### Movie Ticketing Platform Interface (BookMyShow Clone) | *HTML, CSS, JavaScript*

- Architected a high-fidelity, responsive web interface replicating the core functionality of a major ticketing platform.
- Implemented industry-standard Git workflows for source code management and version control.

### Software Licensing System (Prototype) | *C#, .NET Framework*

- Developed a secure software licensing module using C# and .NET.
- Implemented logic for license key validation and hardware-ID (HWID) binding to simulate corporate Digital Rights Management (DRM) protocols.

## CERTIFICATIONS

- **C++ Logic & Flow** – Certified by Coddy Team
- **C++ Fundamentals** – Certified by Coddy Team
